

## Breakfast Burritos

For each burrito you will need:

2 eggs  
2 strips bacon  
1/2 medium potatoe  
1/4 cup grated cheddar cheese (optional)  
1/8 onion, chopped very small or grated (optional)  
salt and pepper to taste  
Flour tortilla

Cook bacon and reserve grease. While bacon is cooking, peel and grate potatoe. Add grated potatoe and finely chopped onion to bacon grease, season with salt and pepper, then flattened with spatula. Let cook on one side without turning until brown on that side, then turn and brown on other side. Once potatoe is brown, break up with spatula into pieces and add eggs. Continue cooking and stirring over medium heat. Crumble bacon and add to egg mixture. Place mixture on flour tortilla and sprinkle cheese over all. Roll up and serve.

These are often served with salsa on the side or with salsa added into burrito.

Other options are to add vegetables such as bell peppers or hot peppers. Add them in when you add the eggs.
